

GOWNS, CAPS, AND HOODS FOR VIPs AND PROFESSORS

The gowns, caps, and hoods worn by VIPs and professors add a touch of dignity and decorum to this important ceremony. We have a large inventory of gowns for Bachelor degree graduates and offer gowns for Master's and PhD degrees made according to your university's specifications. These gowns are available for rental or purchase. Please allow six weeks for the delivery of personalized orders. Several cap models are also available for purchase only.

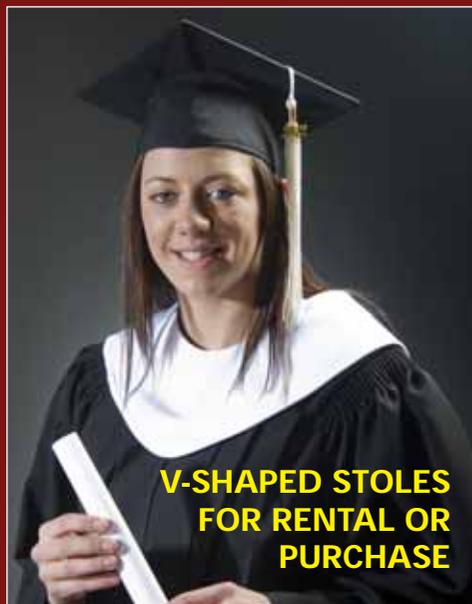

SOUVENIR CAP

The cap is the essential graduate souvenir. It includes the tassel and year of graduation in gold. The tassel is available in nine unified colours, or up to three mixed colours on request. The inside of the tassel can include the graduate's signature, making the event unforgettable and also making it easier to find individual caps after they are thrown at the end of the ceremony. Just ask us for more information.
